## NEOHUA CHARITY DONATION

On 1BSeptember 21, 2016, Northeast Ohio Health Underwriters (NEOHUA) presented the Cleveland Sight Center with a check for \$1,400 and a supply of gently worn frames for them to use as needed. NEOHUA was able to present this donation through the 50/50 raffles we had during our 2015/2016 membership meetings and special events. We had many of our members donated their winnings back to our collection.

*It is a great feeling to be able to present a worthwhile organization that helps individual's live well with vision loss.*
